

fi::ViewCounter::ViewCounter

```
graph LR; A[fi::ViewCounter::ViewCounter] --> B[fi::ViewCounter::~~ViewCounter]
```

A diagram showing a transition from a concrete type to its destructor. On the left, a gray rectangular box contains the text 'fi::ViewCounter::ViewCounter'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'fi::ViewCounter::~~ViewCounter'.

fi::ViewCounter::~~ViewCounter
